## About Us . . . .

The Lubbock Women's Club would like to take this opportunity to welcome you to our club which has been in Lubbock since 1945. Our Colonial Revival building has over 10,000 square feet of meeting and office space and is beautifully maintained by our Historical Foundation. The Lubbock Women's Club was formed in 1945 as a not for profit organization to promote, maintain and support the common good and social welfare of the people of the Lubbock community, and to bring about civic betterment and social improvements.

Most people are not aware that our facility is available to the community to host your special event when not in use by the Women's Club. Over the years, our Tea Room has seen many brides walk down the aisle, celebrated 50th anniversaries, hosted high school proms, and honored brides and bridesmaids and expectant moms.

We also have the capability of hosting business meetings and seminars with state-of-the-art sound systems and audio visual equipment. Our staff is here to accommodate your every need. The Lubbock Women's Club is an enduring social tradition in the Lubbock community that surpasses your expectations. Come visit us and see how effortless we can make your special event or meeting happen.
