From the JWC Corner...

Most see October as a month of the usual pumpkins, fall festivals, ghosts, ghouls, etc. Recently, I read that October is the month of abundance and prosperity. This month brings us crisp fall air, and in that the symbolism implies that it is time to stop being negative about yourself and face every challenge in your life with courage.

Deep, right! I know! But, this is the month that speeds that fast-moving train into overdrive as we start filling the calendar with holiday happenings. So I challenge us as the season gets busier and busier to be kind to ourselves, know you are enough, and in that same "pick-me-up" speech, call a friend and let them know that you love her, care for her, and tell her she is killing it in all things.

Invite her to have lunch with you at The Lubbock Women's Club on October 13th, as we celebrate friendship with women-owned **LYLAS-Permanent Jewelry (Love You Like A Sister)**, who tells their friend journey that turned them into business partners. And at the luncheon purchase a friendship bracelet together and proclaim your friendship out loud, as we did in the 80s and 90s with a cool bracelet. LOL!

As I am reminded of friendship, I want to thank my Board of Directors of the JWC for their tireless energy, wisdom, and most of all friendship they each provide me. You truly can't be a good "anything" without the love and support of your tribe.

Whoever is in your tribe, hug them tight this fall, and celebrate with them at the Club.

Abie

The August 20<sup>th</sup> Moonlight Musical production of Newsies was canceled due to rain. Your tickets may be used for any October production of In The Woods; however, we are planning to sit together as a group at the Oct. 14 production but will not offer boxed meals. We still have tickets available if anyone is interested. The dates for the production In The Woods are October 13,14,15 20,21,22 27,28,29.

*My favorite time of the year is here. My home is decorated for fall and the hues of gold and orange are everywhere, pumpkins on the porch and cool Lubbock evenings, what more could we ask for? I love the changes of the seasons and am grateful that I get to enjoy them.*

*I have had the passing of Queen Elizabeth on my mind and have always had such an admiration for her. I love reading her quotes that she has shared throughout her life, some of which apply to us as well. I wanted to share one that reminds me of the ladies at The Lubbock Women's Club.*

*"I know of no single formula for success. But over the years I have observed that some attributes of leadership are universal and are often about finding ways of encouraging people to combine their efforts, their talents, their insights, their enthusiasm and their inspiration to work together". Queen Elizabeth II*

*That is exactly what we do at The Lubbock Women's Club, we work together!!*

*Our calendar was full in September and I loved each and every roundtable. We started off the month with Chuck Lanehart sharing about his new book (and if you didn't get one you can order on Amazon) "Tragedy and Triumph on the Texas Plains: Curious Chronicles from Murder to Movies", and the always wonderful Style Show by Dillard's with beautiful clothes and models and as always, Brenda Becknell did a fabulous job. We learned how to have a party with Sara Kerns, played games, found a way to look younger with Botox, traveled with MayBelle Kern and ended our month with Maestro David Cho. Where else can you go and have a delicious lunch and be entertained for \$20.00, no where but LWC.*

*Be sure to check your Courier each month and make your reservations as soon as possible so you won't miss out on any of our events. October is full of fun.*

*There is a lot of excitement that our Fall Speaker Series is just around the corner. October 18th is fast approaching and we are so fortunate that we have Jay Leno for our program. Many thanks to Julie Doss and Heather Hocker and their committee for all they have done to make this a success for our Club. I hope that you will support The Lubbock Women's Club and attend this event. We are blessed to be able to have this at The Buddy Holly Hall; since it is a Community Event we wanted to make sure we had a larger facility so more people could attend. I'm counting on your help.*

*I look forward to seeing you at the Club.*

*"Kindness is a passport that opens doors and fashions friends. It softens hearts and molds relationships that can last lifetimes".*

*Barbara Wells*
