## "Month of March"

Winter is ending as we March into Spring,  
Flowers are blooming and birds begin to sing.  
Midway into this month, we'll celebrate with St. Patty!  
Here's wishing you this month brings much  
Happiness and Joy!

A big Irish smile for every girl and boy!

What a wonderful February we had at our Lubbock Women's Club! It was filled with much love and laughter!

We were disappointed that we had to cancel the "Love Affair from Your Shop" due to the weather. We appreciated the ladies that were able to come shop that morning prior to Toni coming to pick up all the beautiful clothes. Thank you to Brenda Becknell and all the models for all you did to help, and we look forward to having "Your Shop" back with us in April for fun, fashion, and shopping.

As we approach the month of March, we will begin with our fashion show from Dillard's, which we always look forward to each year. Spring and summer clothes are by far my favorite with all the bursts of vibrant color that make me happy. No doubt Dillard's will get us ready to find new beautiful and bright pieces to add to our spring wardrobe.

We also have a new event at LWC! On March 3<sup>rd</sup> ...we will have our FIRST EVER "Sip and Shop." Come and support our small businesses and get your Easter, Mother's Day and/or graduation shopping done. There is sure to be something for everyone.

If you want to learn a lot about 'signs' of all kinds, their designs, and the history of where they all came from, you will want to attend the March 9th Roundtable with Mistie Kahl of Cook's Garage. If you have ever been to Cook's Garage, you know that they are known for all of their unique and iconic signs. It will be so fun and interesting to see where and how they accumulated such an amazing collection that makes their establishment truly a landmark here in Lubbock.

Wear your green on March 17th as we celebrate St. Patrick's Day with Amy Thomas of High Plains Wine and Food Foundation.

I cannot tell you how excited I am that our "big" event is taking place on March 23<sup>rd</sup>... "Styled: The 806 Edit Julian Gold at the Texas Tech Museum Sculpture Court." This will be a "First Class" Fashion Show, and I can assure you that you do not want to miss it! Tickets are on sale now! Get yours soon if you haven't already as we are expecting a sellout crowd! I cannot wait!

We will end our month with our "Always Eat Your Dessert First" Luncheon on the 27<sup>th</sup> and with "Hitler's Maladies and Influence On World War II" on the 29<sup>th</sup>. Both of these Roundtables will be outstanding! What great programs we have for everyone to enjoy!

Remember the *Courier* assembly is the 27th at 11:00, and we could definitely use your help. Be sure and give Kandy Adams and Dona Richardson a big thank you as last month they did it all by themselves because the Club was closed due to the weather.

I hope to see you soon at the Club and remember to "Tell Someone They are Kind Today!" *Barbara Webb*

From the JWC Corner...

Spring has sprung, this is my favorite time of the year. I love the flowers, smells, and the sunshine. I don't love the Lubbock dirt, but hey, nothing like a sandy exfoliation to keep us looking young.

We have so much going on at the Club in March and April, so let's jump into all of the wonderful events taking place.

On Friday, March 3rd we will join the LWC and host a wonderful Sip and Shop from 4-7pm. We hope you come and shop at the Club, many of our favorite local boutiques will be at the Club for a one-stop shopping experience to prepare for Easter and graduation gifts.

Speaking of the joy of spring, please join us on Thursday, March 9, 2023 for the Stop and Smell the Roses - Gardening Tips & Tricks luncheon. We will host Master Gardener, Sky Gardens, as she shares tips and tricks to get your yard ready for spring.

Rolling into April, we are thrilled to announce our Riedel Wine Event. The cost is \$110 and the price includes a set of four Riedel Wine Glasses to take home, (valued at \$125). This is the opportunity to experience how your glass can influence your beverage.

Our Masterclass will teach you how the right Riedel glass can make your wine more memorable and enjoyable. This class will feature four Llano Estacado wines alongside perfectly paired hors d'oeuvres. The Masterclass will start promptly at 6:30 with dinner to follow.

See you at the Club,  
*Abie*

## Hitler's Maladix and Influence on World War II

Dr. Tom Hutton, MD, PhD.

Wednesday, March 29, 2023, noon, \$20  
Reservations by Tuesday, March 28, 2023, noon

Despite his suicide almost eighty years ago, compelling questions persist regarding Hitler's poor performance as Commander In Chief of Germany. Why did Germany prematurely attack the Soviet Union in 1941 despite not yet having its superior "wonder weapons?" Why did the German military delay counterattacking at the Battle of Normandy (D-Day) when the Allies were most vulnerable and why was the Battle of the Bulge undertaken and prolonged despite overwhelming odds?

Dr. Tom Hutton M.D., Ph.D., will address these questions in terms of Adolf Hitler's physical and mental health from his research and background as a neurologist. Everyone interested in history will find this fascinating.

**Chairman:** Judy Rostad ~ **Committee:** Paula Hines, Judi Keller, Dinah Simek and Caren Watkins
